PROFIT WARNING

This announcement is made by M&L Holdings Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company would like to inform the shareholders and potential investors of the Company that, based on the information currently available to the Board, the Group is expected to record a loss for the three months ended 31 March 2019 (the “**Period**”).

There has been no significant change in market condition from that as disclosed in the Company’s annual report published on 21 March 2019. The Board considers that the loss for the Period was mainly due to a decline in revenue of not less than 25% as compared with that of corresponding period of 2018. The decline in revenue was mainly attributable from (a) no new tunnel boring machine (“**TBM**”) tunnelling projects being staged recently in Hong Kong; (b) the keen competition in the PRC market, especially for the supply of cutting tools to tunnelling equipment manufacturers; and (c) the new TBM tunnelling projects in Singapore having not yet been commenced.

The Company is in the process of finalising its unaudited consolidated results for the Period. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available as aforementioned, which have not been reviewed by the audit committee of the Company and may be subject to change. Shareholders and potential investors are advised to read carefully the first quarterly results announcement of the Group for the three months ended 31 March 2019 which is expected to be published on 9 May 2019.

Shareholders of the Company and potential investors are advised to exercise caution in dealing in the securities of the Company.
